ENOUGH IS ENOUGH

The story so far...
Jin's father died when he was still a child. Yuujin grew up in loneliness. However, the one who saved him from his loneliness was his mother's friend, Takamizawa Kyouko. Kyouko was like a mother to Jin. After Rio was born, he divorced. One day Yuujin heard that his younger brother Kuroki is currently living with Kyouko's mom. He visited to Japan. After that, he would be coming and going between there.
ENOUGH
